

Advocate Program

What is an Advocate?

An advocate for The Colony Chamber of Commerce is a Chamber Member in good standing with a passion to serve the Chamber and is driven to engage with businesses throughout the community and assist new members with acclimating to the Chamber. The Advocate Program is for those that cannot serve in the capacity of an Ambassador.

What are the Benefits for Being an Advocate?

All Advocates will have greater visibility in the community through networking with businesses and their representatives during ribbon cuttings, fundraisers, and other activities sponsored by the Chamber.

Advocates will have their names put on the Ambassador Webpage.

What does an Advocate do?

We appreciate all who desire to be an advocate. In order to become an advocate, you must fill out the Ambassador application, making a note that you want to be an advocate.

The following are suggestions on how you can be a great Advocate:

- Attend regular monthly Chamber events when possible: Breakfast & Business, Leadership Lunch, or Happy Hour
- Invite others to monthly Chamber events
- Participate in ribbon cuttings
- Assist in the fundraisers and special events

*Minimum requirements to be an advocate: attend 1 regular meeting per month, attend 1 special event per month.

If you have any questions about or suggestions for the ambassador or advocate program, please contact the Ambassador President, Jennifer Nelson, at nelsonj@bricks4kidz.com
