

“Shop The Colony First” Sponsorships

“Shop The Colony First” is a local campaign initiated by The Colony Chamber of Commerce in conjunction with The City of The Colony and The Colony Economic Development Corporation. The purpose of the campaign is to encourage residents within The Colony to buy local first, educate residents about the benefits of buying local, and increase the visibility of local and independent businesses as well as the products and services available in The Colony.

Sponsors are needed to ensure the success of this ongoing campaign. Your contributions will assist with promotional material, and support efforts in continuing the campaign.

All sponsors will have their logo appear on the website as well as on select promotional material.
